REFERENCE LETTER

„Digi Media” Ltd. has been our reliable business partner in dubbing, translation, editing, subtitling and voice – over projects since 2016. „Digi Media” Ltd. has always provided high quality and on time voice casting and dubbing services for **Viacom** (Baby Shark), **Paramount** (Paw Patrol, Clifford the Red Dog, Spongebob Squarepants, Sonic) and **Disney** (Frozen, Ralph Breaks Internet, Cars Luca, Soul) projects. I can recommend „Digi Media” Ltd. as a dubbing studio with extensive experience casting and working with children actors.

During our cooperation, we had no claims against the services provided by „Digi Media” Ltd. All our projects had been prepared within the agreed timeframe and company's employees (production managers, sound engineers, recording directors) are experienced, kind and responsible, as well as able to resolve non-standard or urgent situations.

If You have any further questions, feel free to contact me.
